Work **Experience**

UI/UX & Frontend Developer — Oct 2021 – Running

eGeneration, Dhaka, Bangladesh

As a team leader developing UI/UX is my first priority. On the other hand, I have been working on front-end development for different projects and I am enjoying this role.

UI/UX & Frontend Developer — Mar 2020 – Sep 2021

CommEngine, Dhaka, Bangladesh

Created UI design based on requirements and convert those UI to pixel-perfect webpage. Beside that i have improved exciting project UI.

Front-end Developer — Apr 2019 – Feb 2020

AmaderCode Lab, Dhaka, Bangladesh

I have lead frontend developer team proactively. Besides that, I have create pixel-perfect and responsive web page using HTML, CSS and JS.

Work
